

**Sajjad Gharaghani** received his Ph.D. in Chemistry (Chemoinformatics) from Isfahan University of Technology, (Iran). Then, he joined with department of bioinformatics, Institute of Biochemistry and Biophysics (IBB), University of Tehran (2013). He is currently the Assistant Professor and Head of Department of Bioinformatics & Laboratory of Bioinformatics and Drug Design at the University of Tehran. He is associate editorial board member of *Frontiers in Pharmacology*. His research interest focused on Bioinformatics, Chemoinformatics, Systems Pharmacology, Biological Networks, Computer-Aided Drug Design (CADD), QSAR, Fragment-based Drug Design, Molecular Docking and Molecular Dynamics Simulation. He published over 60 scientific papers in peer-reviewed journals. He was the executive secretary of 6<sup>th</sup> national bioinformatics conference and scientific secretary of first international conference and the 10<sup>th</sup> national bioinformatics conference of Iran.
